SENATE BILL

No. 888

Introduced by Senator Dunn

February 21, 2003

An act to add Part 5 (commencing with Section 1450) to Division 2 of the Labor Code, relating to employment.

LEGISLATIVE COUNSEL'S DIGEST

SB 888, as amended, Dunn. Employment: homeland security.

Existing law, by executive order of the Governor, establishes the Office of Homeland Security.

This bill would prohibit the performance of any work involving information that is essential to homeland security, as defined, at a

worksite located outside of the United States unless expertise ~~or materials~~ necessary to perform the work is not available in the United States *or parts or materials necessary to perform the work are manufactured outside of the United States.*

The bill would require the Office of Homeland Security to adopt regulations necessary to implement these provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Part 5 (commencing with Section 1450) is added to Division 2 of the Labor Code, to read:

PART 5. HOMELAND SECURITY

1450. (a) Except as otherwise provided in subdivision (b) *or (c)*, no work involving information that is essential to homeland security shall be performed at a worksite outside of the United States.

(b) Subdivision (a) shall not apply if the expertise ~~or materials~~ necessary to perform the work is unavailable in the United States.

(c) Subdivision (a) shall not apply to parts or materials manufactured outside of the United States that are necessary to perform work involving information that is essential to homeland security.

1451. For purposes of this part, “information essential to homeland security” means either of the following:

(a) Information necessary to enhance the capability of state and local jurisdictions to prepare for, and respond to, terrorist acts, including, but not limited to, acts of terrorism involving weapons of mass destruction and nuclear, radiological, incendiary, chemical, and explosive devices.

(b) Information relating to physical and information infrastructures, including, but not limited to, the telecommunications, energy, ~~financial services~~, water, and transportation sectors.

1 1452. The Office of Homeland Security shall adopt
2 regulations necessary to implement this part.

O
